

Glow Neon 5m 50W Dimmable Cool White Weatherproof LED Strip Kit

SKU: 177757

Details

The GLOW Neon 5m 50W IP67 Strip Kit delivers smooth, continuous cool white illumination in a flexible neon-style design. Made from flexible silicone, this strip provides an even line of light with a strong visual impact, making it ideal for outdoor entertaining areas, under-bench lighting, kickboards, garden edging and pathway lighting. Perfect for creating a clean, modern lighting effect, strip lighting adds both functionality and style to indoor and selected outdoor applications.
Includes a 5m 50W LED strip, 24V driver, 10 x U-shaped strip mounting clips and screws.
GLOW Neon is supplied as a complete kit. Profile is not required and optional GLOW Classic or GLOW Dynamic accessories are not compatible.
The strip is IP67 rated, making it suitable for selected outdoor and wet-area applications. The LED driver is not IP rated and must be installed in a suitable protected location.
