
Gough II 600mm LED Colour-Switching Adjustable Wall Bracket in Aged Brass

SKU: 190667

Details

The Gough II Wall Bracket is a refined update to the popular adjustable range, now available in five finishes—black, white, chrome, aged brass, and bronze. Its 600mm profile offers a sleek lighting solution for bathroom vanities or picture lighting, with improved lumen output and enhanced LED performance. Featuring adjustable colour temperature between 3000K, 4000K and 5000K, it allows scene changes either at the wall switch or via the discreet toggle at the top of the backplate. With a high CRI of >90 and full dimmability, the Gough II delivers clarity, control, and a clean, architectural finish. Backed by a 3-year warranty.
