Haus & Co Pillar Incense Holder in Travertine

The Haus & Co pillar incense holder in travertine brings a touch of natural elegance to your space. Available in natural, rose, or silver travertine, each piece showcases the unique veining and organic patterns of authentic stone, making every holder one of a kind. Its minimalist pillar design is both functional and sculptural, perfect in its practical form as an incense holder or serving as a refined decorative accent when not in use. Ideal for meditation spaces, bedrooms, or living areas.

TIP: Pair with other travertine accessories in matching or contrasting tones to create a cohesive, nature-inspired look.
