$8.95 (inc GST)

Details

Help protect the appearance of your exterior lighting with the Haus & Co Exterior Care Kit.
Outdoor light fittings are regularly exposed to dust, dirt and the elements, making ongoing care and maintenance important.
The Haus & Co Exterior Care Kit includes specialised reusable microfibre cloths designed for stainless steel, glass and crystal surfaces.
The carefully developed fibres help remove everyday marks, dust and surface residue without the need for cleaning chemicals, helping maintain the finish, clarity and lustre of your exterior lighting.
Ideal for regular maintenance of outdoor wall lights, exterior pendants and other decorative light fittings, this easy-to-use care kit helps keep your lighting looking its best for longer.
Includes:
1 x 30 x 30cm stainless steel microfibre cloth
1 x 30 x 30cm glass and crystal microfibre cloth
Why you'll love it:
Specialised care for exterior lighting surfaces
Suitable for stainless steel, glass and crystal
Helps remove dust, fingerprints and everyday surface marks
No cleaning chemicals required
Reusable and machine washable
Helps maintain the finish and appearance of exterior fittings
