Details

Complete care for your lighting, all in one kit.
Keep your lighting looking its best with the Haus & Co Total Care Kit. Designed for the wide range of materials and finishes found across interior and exterior lighting, this complete care kit includes specialised reusable microfibre cloths for dusting, glass and crystal, stainless steel, brass and copper.
Each microfibre cloth has been developed to care for specific surfaces, helping remove dust, fingerprints and everyday marks while maintaining the finish, clarity and lustre of your lighting. No cleaning chemicals are required, making regular lighting care and maintenance simple.
The kit also includes a specialised glass glove, allowing you to hold and handle glass and crystal shades while helping prevent fingerprints and marks — ideal when cleaning, maintaining or changing globes.
From pendant lights and chandeliers to lamps, wall lights and exterior fittings, the Haus & Co Total Care Kit provides everything you need to help preserve the appearance and beauty of your lighting for longer.
