Details

Hepburn wall bracket

The Hepburn wall bracket is a timeless light for pictures or above mirrors, blending classic elegance with coastal charm and modern, clean lines. Available in aged brass, black, polished chrome, or bronze, it features a tilting head for precise light placement, ensuring your artwork, photographs, or mirrors are beautifully illuminated. Compatible with SES globes, it offers flexibility in achieving the perfect light effect. Picture lighting can completely transform a room—bringing depth, vibrancy, and life to treasured art while adding an elevated layer of sophistication to your interior.

TIP:

Experiment with the placement of the Hepburn's head to find the perfect highlight within your art, enhancing depth, texture, and colour.
