

Hilo LED Day Night Sleep Backlit Step Light in Black

SKU: 300881

Details

Our Hilo collection is an incredibly versatile wall sconce/step light that provides a low glare, somewhat playful alternative to standard recessed step lights.
The soft, halo-like effect is ideal for hallways, entries and stairwells and is a great option where you want to create ambient light but don't necessarily want to light the floor.
Hilo can also be used as a subtle, compact wall sconce throughout the home. Try stacking beside a powder room mirror or clustered to form a striking wall feature – Hilo's size and versatility allow for countless placements and creativity.
Furthermore, the Hilo collection features Live Well Day Night Sleep technology. Engineered to help you get the most out of your day, increase concentration and improve your sleep.
During the day, the Day Scene setting fills your space with energy-boosting light scientifically proven to make you feel more alert and energised.
When set to Night, the health light reduces blue light and lowers the colour temperature to promote the production of melatonin, the hormone which prepares your body and mind for sleep.
When it's time for bed, the Sleep Scene provides an ultra-soft and warm light that's perfect for late-night thoroughfares and bathroom wakeups without causing further interruption to your body's melatonin production. Hilo's size and features also make it the ideal night light for children's rooms and nurseries – with Sleep Scene providing the perfect light for everything from dream feeds to monster deterrents.
Accessing these settings is incredibly easy via a standard wall switch. Flick Off/On within 3 seconds to cycle through the three scenes – Day (4000K 100% brightness), Night (3000K 100% brightness), and Sleep (2200K 10% brightness).

Specifications

SKU	300881
Colour/Finish	Black
Dimmable	No
Globe Type	Integrated LED

Globe Quantity	0
Wattage Max	5W
Kelvins	2700K/4000K
Lumens	220
CRI	>90
Efficacy	44
Cut Out Size (mm)	60
Ic (Insulation Contact) Rated	IC-4
Colour Temperature	Warm White/Cool White
Location	Indoor Use Only
Voltage	240V
Warranty	3 years
Brand	Lucci
Style	Modern
