SKU: 309310

Details

Hoxton Wall Bracket

The Hoxton wall bracket seamlessly blends mid-century charm with traditional elegance, offering a timeless lighting solution for your home. Available in aged brass with white linen or bronze with natural linen, it features a pleated fabric shade that adds texture and warmth to any setting. An integrated toggle switch and USB-C fast-charging port provide modern convenience without compromising on style.

Perfect for bedsides, entryways, or hallways, the Hoxton wall bracket is part of the broader Hoxton collection, including matching pendants for a cohesive lighting design. Its versatile style makes it an excellent choice for both classic and contemporary interiors.

TIP: Position the Hoxton wall bracket beside upholstered headboards or along hallways for a layered lighting effect that enhances both functionality and sophistication.
