SKU: 170339

Details

Introducing the Infinity Mini 4CCT downlight, a versatile and dimmable lighting solution designed to enhance your living spaces.
Featuring a plug-and-play design and a 90mm cut-out size, the Infinity Mini is easily adaptable to various settings. It seamlessly integrates with our dimmers, ensuring a smooth lighting experience.
Crafted from durable cast aluminium and PC material, it's available in a clean white finish, making it suitable for contemporary aesthetics.
The Infinity Mini 4CCT Downlight is more than just a lighting fixture, it features Live Well technology, which aligns your lighting with your daily routine. Research from Monash University highlights the importance of using different colour temperatures and brightness levels at different times and for different tasks for optimal health and well-being. With simple wall control, you can wake up refreshed, stay energised, relax, and sleep better, all with one light. Plus, it comes with a 5-year return-to-store warranty, providing you with confidence in its quality and performance.
