

Ison LED Rise and Fall Pendant in Black

SKU: 020970

$279.00 (inc GST)

Details

The Ison rise and fall pendant features a minimalist cylindrical design available in black, white, bronze and brushed nickel finishes, making it easy to coordinate with a range of interior styles. Its clean aluminium form delivers focused, flexible, architectural lighting suited to kitchen islands, bedside applications or accent spotlighting depending on task or location. Designed with adjustable rise and fall suspension, the pendant height can be easily tailored to suit the space. Integrated LED technology provides selectable colour temperatures of 3000K, 4000K or 5000K via a toggle switch on the fitting, allowing the light to be adapted for different environments. With dimmable functionality, a focused beam angle and high colour rendering, the Ison pendant delivers precise, comfortable illumination. A magnetic canopy system allows the pendant to attach directly to the canopy to create a close-to-ceiling downlight configuration, providing additional installation flexibility. For a cohesive lighting plan, pair with the matching Ison downlights.

Specifications

SKU	020970
Colour/Finish	Black
Dimmable	Yes
Recommended Dimmers	All Lucci, MFL and Buster + Punch Dimmers
