Details

Jessy Wall Light

Available in either black or white, the Jessy wall light brings sleek sophistication to your home. Featuring a replaceable GU10 globe, the adjustable spotlight offers directional lighting, perfect for reading or focused tasks in study nooks. Subtle ribbing on the spotlight adds a layer of texture, elevating its simple aesthetic with a touch of refined detail. Jessy includes a built-in switch and a USB-C port for charging devices, ideal for bedside placements or compact workspaces.

TIP: Mount the Jessy wall light slightly above seated shoulder height for optimal task lighting and effortless access to the USB-C port.
