

Jones 620mm 2 Light LED Colour-Shifting Wall Sconce in Brass

SKU: 197066

Details

Introducing the Jones collection - your perfect solution for sleek and modern bathroom or vanity lighting. The Jones 600mm Linear Vanity Wall Sconce is a minimalist masterpiece that provides excellent illumination, making it ideal for placement above a mirror or on either side for that classic Hollywood lighting effect.

Crafted from high-quality materials, this wall sconce is built to last and boasts a sleek and low-profile design. Available in Matte Black and White, as well as a stunning Aged Brass finish, the Jones collection offers a stylish lighting solution for any decor.

One of the standout features of the Jones collection is its CCT technology. This allows you to easily adjust the colour temperature of the light using a basic wall switch, making it practical for any bathroom or vanity area. Warm light is perfect for creating a zen-like escape or getting ready in the mornings, while a cool light is ideal for tasks such as shaving.

Another impressive feature is the dimmable light, which allows you to create a sense of relaxation and tranquillity by adjusting the light level to your liking. Additionally, the low glare backlit design adds an element of sophistication to any space.

Overall, the Jones collection offers a sleek and stylish lighting solution that is perfect for any bathroom or vanity area. With its energy-efficient LED technology, CCT functionality, and dimmable light, it is a standout choice for those seeking a refined and practical lighting option. Optimize your bathroom and vanity lighting with the Jones collection today.
