

Kayson LED Adjustable Task Light in White

SKU: 250960

Details

The Kayson LED task lamp delivers practical, adjustable lighting for studying, working and everyday tasks. Its slim, minimalist design fits neatly on desks, bedside tables or workspaces without taking up valuable room. Touch controls allow you to dim the light and switch between warm, cool and daylight colour temperatures, making it easy to create the right lighting for reading, studying or focused work. The adjustable arm directs light exactly where it's needed, while the integrated LED provides an energy-efficient lighting solution. Available in white or black, Kayson is a versatile and affordable choice for home offices, study spaces and bedrooms.
