Details

The Kline lamp is a modern, portable lighting solution designed for desks and bedside tables. Available in white, black, beige, and brown, it features a round, adjustable shade with a uniform light surface. Its rechargeable design makes it ideal for moving between spaces, especially where access to a plug socket is limited. With touch control dimming and colour temperature options from 3000K to 6000K, the Kline lamp adapts easily to suit your mood or task. Backed by a 3-year warranty, it offers both flexibility and clarity in a compact, considered form.
