

LED 12V 200VA Driver

SKU: 220844

$219.00 (inc GST)

Details

This product is part of our Lucci DIY Quick Connect 12V garden lighting range.
For a simple IP65 water resistant connection, pair with our range of Lucci DIY Quick Connect Light Fittings and Wiring Kits
TIP: When calculating the right Driver or transformer, add the wattage of all light fittings intended to run off of the same driver together and then choose a driver with a VA rating that is slightly more than the Total Wattage. Example: 18 x 8W lights = 144 Watts, so you would need a 150VA LED Driver for this installation.

Specifications

SKU	220844
Colour/Finish	Black/Silver
Ip Rating	IP65
Globe Quantity	0
Wattage Max	200VA
Location	Coastal Use
Material	Mixed
Voltage	12V
Warranty	3 years
