Details

The Leon exterior lantern range brings classic outdoor styling to modern homes with a traditional lantern silhouette and clear glass panels. Available in small, medium and large sizes, including both 1 light and 2 light options, the range makes it easy to create a consistent look across entryways, garages and exterior walls. Designed for long-term outdoor performance, the Leon range features durable metal and glass construction, an IP44 weather-resistant rating and coastal suitability. The replaceable globe design allows flexibility in light output and style, while the range of sizes provides solutions for everything from compact entry points to larger architectural façades. Finished in black, Leon offers a timeless exterior lighting option that complements both traditional and contemporary homes.
