

LIFX Colour Zones LED Smart Table Lamp in RGB + Full White Spectrum

SKU: 250980

$149.95 (inc GST)

Details

Redefine how you interact with light with the LIFX Luna, a compact, versatile lamp designed to bring colour, convenience, and creativity to any space. Perfect as a tabletop companion or mounted on the wall, Luna combines unmatched simplicity and powerful functionality, delivering vibrant Polychrome lighting effects with seamless smart functionality. At 1000 lumens, it's bright enough to light your workspace yet dimmable for a cozy nightstand glow.

Luna features built-in buttons for instant, intuitive control, including customisable gestures for managing settings or other LIFX devices using Matter. Effortlessly trigger Sunrise or Sunset effects to enhance your sleep routine, or set the mood with stunning lighting FX. Whether connected to your home's Wi-Fi or operating independently, Luna blends style and performance, combining beauty and brains in a compact, portable package.

Features

1000 Lumens = 70W incandescent equivalent
Individual uplight control and 31 addressable downlight zones
Works with Matter over Wi-Fi
No hub required (when onboarded with the LIFX App)
LIFX SuperColour LEDs = 5x brighter colour
Broadest white spectrum 1500K - 9000K
