Time to take the fun outside.
LIFX has been lighting up bedrooms and living rooms with SuperColour for a decade and now it's time to light up your gardens and outdoor spaces. The LIFX Outdoor Spot is a water resistant wonder light that will transform your garden into a PolyChrome wonderland.
Set the mood for any occasion.
Want to set the mood for a special evening? No problem. With the LIFX app and a 2.4GHz Wi-Fi connection, you can effortlessly adjust your spot light to match any occasion. Whether it's a romantic dinner under the stars or a lively outdoor party, your lighting will always be on point.
Choose your voice control.
And for those who prefer a hands-free experience, these smart outdoor lights play nicely with all the major platforms, including Hey Google, Apple HomeKit, Alexa, and Samsung SmartThings. Just use your voice to command the perfect lighting setup,

schedule to suit your lifestyle, or hit quick presets to elevate your outdoor space from ordinary to extraordinary.
FX + 3 polychrome zones.
Each LIFX Spot has three addressable colour zones, creating unique tones and casting reflections that feel like, well, magic. Turn your spot lights into a synchronised colour morphing lightshow to suit your next holiday celebration.
Designed in Melbourne.
Did you know LIFX started in Melbourne in 2012? And they are still based in the creative tech-hub of Cremorne. Their team of in-house Engineers and Product Designers worked passionately on the Spot Light with a goal of staying true to a classic form factor but adding a touch of LIFX.
**LIFX colours have tested up to 5x more powerful than other smart brands across flagship products. Visit lifx.com/supercolour for details.*
Compatible with: Matter, Google Home, Apple Home, Alexa, Samsung SmartThings, Home Assistant, Razer Chroma.
