Colour like no other

Imagine a coloured smart lightbulb that transcends the ordinary, immersing you in a world of vivid hues and dynamic ambiance. With our advanced SuperColour technology, this innovative bulb transforms any room into a captivating oasis of light and colour.

5x the SuperColour

LIFX is famous for our vivid SuperColour LEDs. The colour output on the SuperColour Smart Light takes this to the next level with our highest colour lumens ratings: Red: 300 lumens, Green: 655 lumens, Blue: 167 lumens (Testing allowance of ± 7% tolerance expected.)

Set the mood

Themes, themes and more themes. Movie night? Date night? Celebration? No matter what the occasion, you can set the vibe with our preset theme gallery or create your own lighting playlist.

Schedule and Automate

Schedule your lights to slowly fade down to a warm sunset glow, synchronizing your circadian rhythms for a better night's sleep. Let the app work out the timing based on your geo-location.

Designed in Melbourne

Did you know LIFX started in Melbourne in 2012? And they are still based in the creative tech-hub of Cremorne. Their team of

in-house Engineers and Product Designers worked passionately on the range of LIFX Smart Globes with the goal of bringing the best and brightest offering of Smart Lighting to Australia, and the rest of the world.

**LIFX colours have tested up to 5x more powerful than other smart brands across flagship products. Visit lifx.com/supercolour for details.*
