950 Lumens = 70W incandescent equivalent
Works with Matter over Wi-Fi
No hub required (when onboarded with the LIFX App)
LIFX SuperColour LEDs = 5x brighter colour*
Broadest white spectrum 1500K - 9000K
Colour like no other
Imagine a coloured smart lightbulb that transcends the ordinary, immersing you in a world of vivid hues and dynamic ambiance. With our advanced SuperColour technology, this innovative bulb transforms any room into a captivating oasis of light and colour.
Set the mood
Themes, themes and more themes. Movie night? Date night? Celebration? No matter what the occasion, you can set the vibe with our preset theme gallery or create your own lighting playlist.
Schedule and Automate
Schedule your lights to slowly fade down to a warm sunset glow, synchronizing your circadian rhythms for a better night's sleep. Let the app work out the timing based on your geo-location.
Keep it simple, forget the hub
With LIFX, you don't need to commit to a hub or a whole home setup. Instead, you can keep it simple or upgrade your home at your own pace.
Designed in Melbourne
Did you know LIFX started in Melbourne in 2012? And they are still based in the creative tech-hub of Cremorne. Their team of in-house Engineers and Product Designers worked passionately on the range of LIFX Smart Globes with the goal of bringing the

best and brightest offering of Smart Lighting to Australia, and the rest of the world.

**LIFX colours have tested up to 5x more powerful than other smart brands across flagship products. Visit lifx.com/supercolour for details.*
