Details

Introducing the London 1 Light Vanity Light – a sophisticated and compact wall light designed for both style and sustainability. Its minimalist design, available in black, white, chrome, brushed chrome, aged brass, and bronze, adds a touch of modern elegance to your bathroom vanity. This uniquely crafted fixture features a sleek LED look and is equipped with replaceable LED globes (sold separately), ensuring longevity and eco-friendly illumination.

Engineered for versatility, the London Vanity Light can be installed on either side of the mirror, creating a subtle Hollywood effect that enhances light distribution for an impeccable grooming experience. Alternatively, a single light positioned directly above the mirror provides ample illumination for daily grooming tasks. The variety of finishes ensures the London Vanity Light suits almost any decor and tapware, offering the perfect blend of warmth and durability. With an IP44 rating, the London Vanity Light is perfectly suited for bathroom use, providing reliable performance even in damp environments. Illuminate your bathroom with confidence and style.
