Lucci 12W 128mm GX53 LED CCT Dimmable Globe

SKU: 128160

Details

This Lucci GX53 LED globe delivers flexible, energy-efficient lighting with Smooth dimming and colour temperature control, ideal for interior fixtures or compatible ceiling fans.
Available in a 128mm, 152mm, 200mm and 220mm diameter design for GX53 fittings.

Smooth Dimming

Features convenient, smooth dimming when used with a standard dimmer or certain models of DC ceiling fans. It also remembers your last setting.

Colour Temperature Control (CCT)

Switch between warm white, cool white, and daylight (3000K, 4000K, 5000K) via a switch on the globe, letting you adapt the lighting mood to suit any space or activity.

Performance & Efficiency

Consumes only 12W while producing approximately 2,310lm (lumens), with excellent efficacy (109lm/W). Offers >90 CRI for accurate colour rendering.

Build & Lifespan

Constructed with durable ABS material, designed for long-term use with a rated life of around 15,000 hours. Compatible with mechanical or relay ON/OFF switches and rotary or semiconductor dimmer switches.

Warranty

Includes a standard 3-year warranty from the date of purchase.
