

Lucci 12W LED 118mm R7s Globe in Cool White

SKU: 121993

Details

The Lucci LED R7s globe is designed for environments requiring bright, neutral light from linear R7s fittings. Its 4000K cool white output provides clear, balanced illumination for task-oriented spaces.
Producing 1,521 lumens from a 12W output, this globe delivers strong performance with a wide 300-degree beam angle for consistent light distribution, and it fits standard R7s fittings. A colour rendering index above 80 and a three-year warranty ensure reliable long-term use.

Specifications

SKU	121993
