

Lucci 2 Metre Aluminium LED Corner Profile in Silver

SKU: 177131

$44.95 (inc GST)

Details

Create a clean, professional finish for strip lighting in corners with this 2 metre aluminium profile in silver and opal. The angled design directs light where it is needed, making it ideal beneath kitchen benchtops, inside wardrobes and along shelving.

The aluminium channel helps protect the LED strip during installation, while the opal diffuser creates a softer, more even line of light. The profile can be cut to size to suit your layout.

Compatibility

Designed for use with Lucci Glow Classic and Lucci Glow Dynamic LED Strip Light kits. Compatible with LED strip up to a maximum width of 10.5mm.

Specifications
