

Lucci 250mm Premium Round Exhaust Fan with 290mm Dia Cut Out in White

SKU: 200261

\$69.95 (inc GST)

Details

The Premium Large Round Exhaust Fan is a simple, effective solution for everyday ventilation in medium to large bathrooms, laundries, and other humid spaces. With its open grill design, it allows optimal airflow to help reduce steam, odours, and excess moisture, supporting a fresher indoor environment. The 290mm cut-out suits a standard ceiling opening, making it ideal for replacing an old or tired exhaust fan for a quick, clean refresh. Designed for ease, the plug-and-lead setup enables DIY replacement of like-for-like units where a plug is already installed. A built-in backdraft stopper prevents unwanted air and odours from re-entering the room, and the removable cover makes cleaning and maintenance simple.

TIP:

For enhanced moisture control, add a run-on timer (sold separately) to keep the fan running after use—helping reduce condensation and the risk of mould. Not sure which fan is best for your space? Speak to our team—we use a handy airflow calculator to help you pick the right model.

Specifications

SKU	200261
