

Lucci 7W LED 78mm R7s Globe in Warm White

SKU: 121990

Details

The Lucci LED R7s globe is a high-lumen replacement option designed for linear R7s fittings previously using halogen lamps. Producing a warm white 3000K output, it provides strong illumination with a comfortable, ambient tone.
This globe delivers 806 lumens from a 7W output and features a wide 300-degree beam angle for broad light distribution and is suited to compact R7s fittings. With a colour rendering index above 80 and a three-year warranty, the Lucci LED R7s globe offers a reliable LED alternative for everyday use.
