Lucci 8W 110mm Lens LED Colour Switch CCT Dimmable GX53 Globe

SKU: 121751

Details

This Lucci GX53 LED globe delivers flexible, energy-efficient lighting with Smooth dimming and colour temperature control, ideal for interior fixtures or compatible ceiling fans. This globe especially features a fish-eye design/profile that allows it to produce a focused beam of light, which is ideal for task lighting situations.

Available in a 110mm diameter design for GX53 fittings.

Smooth Dimming

Features convenient, smooth dimming when used with a standard dimmer or certain models of DC ceiling fans. It also remembers your last setting.

Colour Temperature Control (CCT)

Switch between warm white, cool white, and daylight (3000K, 4000K, 5000K) via a switch on the globe, letting you adapt the lighting mood to suit any space or activity.

Performance & Efficiency

Consumes only 8W while producing approximately 700lm (lumens), with excellent efficacy (87lm/W). Offers >90 CRI for accurate colour rendering.

Build & Lifespan

Constructed with durable ABS material, designed for long-term use with a rated life of around 15,000 hours. Compatible with mechanical or relay ON/OFF switches and rotary or semiconductor dimmer switches.

Warranty

Includes a standard 3-year warranty from the date of purchase.
