

Lucci 900mm Fan Extension Rod in Grey

SKU: 216121

Details

The Lucci 900mm ceiling fan extension rod in grey provides a secure mounting solution for high or angled ceilings, helping to position the fan at the ideal height for improved airflow. Designed for compatibility with most Lucci Air ceiling fans, it supports stable operation and balanced performance in medium to large interior spaces. The durable construction ensures long-term reliability, while the grey finish offers a clean, coordinated look with matching fan designs. Suitable for professional installation, the Lucci 900mm extension rod enhances both function and appearance in elevated ceiling applications.
