

Lucci Connect Circa II 600mm LED Colour-Shifting RGB Smart Ring Pendant in White

SKU: 020581

Details

Live Smarter with the Lucci Connect Circa II smart pendant. With millions of colours to choose from, this clever pendant can be set up and controlled anywhere using the Lucci Connect app. Set a schedule to turn on and off at specific times of the day and combine with a smart home hub to enable voice control. The Lucci Connect app can be downloaded from both the Google play and Apple app stores.The Lucci Connect Circa II Ring is not suitable for use with wall switch dimmers. Warranty will be void if this fitting is used on the same circuit that has a wall switch dimmer. Dimming of the Lucci Connect Circa II Ring is done via the Lucci Connect app. When first turning this light on for the first time, follow the following instructions:
Turn on and off 4 times
Turn on (wait for light to illuminate for 1 second)
Turn off for 3 seconds
Turn on (wait for light to illuminate for 1 second)
Turn off for 3 seconds
Turn on (wait for light to illuminate for 1 second)
Turn off for 3 seconds
Turn on and the light will start flashing signalling it is in pairing mode.
Lucci Connect Hub required for voice functionality.
