

Lucci Connect Festoon 20 Light LED Smart String Light Kit in Black with RGB + Whites

SKU: 220993

$189.00 (inc GST)

Details

Transform your entertainment area with the colour changing and connected Lucci Connect festoon string lights. These festoon lights are entirely DIY system and all components are included in the one box. Made from robust and durable rubber to stop deterioration and stretching over time. The RGBW LED's are fully adjustable and set the mood right with the right illumination level for comfort and reduced glare. There is a 5 meter fly lead distance from the driver to the first light, and then the lights are spaced at 1 metre distances. These festoons are coastal rated and backed by a 3 year warranty .
