

Lucci Power 100W LED Electrical Rotary Dimmer with Black and White Dials

SKU: 290917

Details

The Lucci Power 100W LED Rotary Dimmer provides smooth, adjustable lighting control with trailing edge dimming technology and a customisable minimum brightness setting. Featuring soft-start operation, built-in protection and interchangeable black and white dials, it is compatible with Lucci Power Gravity, Ion, Vynco Metro, Urban and MFL Forge switch plates.

Installation Note: An isolation wall switch is required for installation, as this dimmer does not provide full electrical disconnection.
