

Lucci Power 15 Minute Run-on Timer

SKU: 291013

Details

Improve ventilation performance and reduce moisture build-up with the Lucci Power 15-Minute Run-On Timer. Designed for bathrooms, laundries and toilets, it automatically keeps your exhaust fan running for 15 minutes after the switch is turned off, helping to clear steam, odours and humidity. A simple retrofit or new build solution for better air quality, reduced moisture and mould prevention.
Key features:
Automatically runs fan for 15 minutes after switch-off
Helps reduce condensation, moisture and mould
Ideal for bathrooms, laundries and toilets
Easy to install and compatible with exhaust fans up to 60W
