

Lucci Power 3 Light Portable Rechargable LED Flood Light in Black and Navy

SKU: 231430

Details

The Lucci Power 3 Light Portable Rechargeable LED Flood Light is built for electricians and trade professionals who need broad, flexible worksite illumination. Its three foldable light heads deliver up to 2650 lumens of cool white 4000K light, with three-step dimming to match the task. The integrated 6600mAh lithium battery provides approximately 2 hours on high, 4 hours on medium or 10 hours on low, while the IP54-rated metal and plastic construction helps protect against dust and water splashes.

Designed for easy transport between jobs, this portable LED work light folds down for compact storage and includes a carry case, USB-C charging cable, 240V wall adaptor and 12V car adaptor. The black and navy finish suits professional work environments, and the light is covered by a 5-year warranty, excluding the battery.

Also available in the Lucci Power portable flood light range: choose the compact rechargeable model for a lighter single-head option, or the plug-in model for continuous 240V operation and IP65 protection.
