
Lucci Power 50W Emergency Backup Pack

SKU: 178297

Details

The Lucci Power Emergency Pack provides automatic back-up lighting during a power outage, helping maintain visibility when it is needed most. Designed for use with a range of compatible LED luminaires, it delivers approximately 8W of emergency illumination for up to two hours.
Suitable for selected downlights, flush mount lights, LED panels and linear pendants, the Emergency Pack offers a flexible solution for residential and commercial applications such as entrances, walkways and living spaces.

Wide Luminaire Compatibility
Designed for use with a variety of compatible LED fittings, including selected downlights, pendants, flush mount lights and LED panels.

IC Rated
IC rated for installation where approved building insulation may abut and cover the emergency pack when installed correctly.

5-Year Warranty
Backed by a five-year warranty for added peace of mind.
