SKU: 299285

$59.95 (inc GST)

Details

The Lucci Power DC wireless photoelectric smoke alarm is a reliable option for homeowners who want dependable smoke detection in their home.
It features a 3V Lithium Battery for consistent power and is compatible with both Hardwire and Radio Frequency (RF) Wireless interconnection for maximum coverage. When using a Hardwire interconnection, this alarm can be connected with up to 48 alarms over a 150 metre distance. When using the RF wireless interconneciton, it can be wirelessly interconnected with up to 24 alarms.
With a horn level of 85 dB at 3 metres minimum, it meets AS 3786: 2014 Standards and provides ample warning in the event of a fire. It has a rated battery life of 10 years, ensuring long-lasting protection for your home.
The Lucci Power DC wireless photoelectric smoke alarm also comes with a 10-year in-home warranty, providing peace of mind that it is a reliable and long-lasting product.
This smoke alarm is an excellent solution for homeowners who require reliable smoke detection without the need for wiring, making it ideal for basements, attics, and other areas where wiring may be difficult or impossible.
Overall, the Lucci Power DC wireless photoelectric smoke alarm is an excellent choice for homeowners who want a wireless and dependable smoke detection solution for their home.
Must be installed by a licensed electrician.
