

Lucci Power Gravity 2 Gang Switch in Matte White

SKU: 299220

Details

The Lucci Power Gravity 2-gang switch is an affordable and reliable option. It features a 13mm depth face plate with a UV-stabilized and scratch-resistant matt finish in black or white. The switch is designed for easy and common fit off, with 84mm screw centers that follow industry standards for compatibility with brackets and wall boxes. The 30 series mechs allow for compatibility with preferred mechs, dimmers, and other components. The switch also features flat mounting points for easy installation on tile, timber, concrete, or brick surfaces. With large terminals and backed out screws, it provides a secure and durable connection. The switch is compatible with both Vynco and Lucci power mechs, comes with a 25-year warranty, and includes mounting screws. It is designed with attention to internal tolerances and spring durability to ensure long-lasting use.
