

Lucci Power Gravity 6 Gang Switch in Gloss White

SKU: 299741

$27.95 (inc GST)

Details

The Lucci Power Gravity 1-6 gang switches are an affordable and reliable option. It features a 13mm depth face plate with a UV-stabilized and scratch-resistant matt finish in black or white and now available in gloss white. The switch is designed for easy and common fit off, with 84mm screw centers that follow industry standards for compatibility with brackets and wall boxes. The switch also features flat mounting points for easy installation on tile, timber, concrete, or brick surfaces. With large terminals and backed out screws, it provides a secure and durable connection.All switch plates come with preferred mounting screws. It is designed with attention to internal tolerances and spring durability to ensure long-lasting use. Backed by a 25-year warranty.
