

Lucci Power Gravity Architrave 1 Gang Plate Only in Gloss White

SKU: 299730

$6.95 (inc GST)

Details

The Lucci Power Gravity architrave plates are available in 1 and 2 gang plates, finished in matte white or black and gloss and matte white. Designed as part of the Gravity family, it offers a simple, refined profile suited to residential applications throughout the home. Compatible with Lucci Power mechanisms, this plate-only solution allows flexibility when configuring or upgrading switch installations. Its smooth gloss surface provides a crisp, contemporary aesthetic that pairs seamlessly with other Gravity switches and powerpoints.
