

Lucci Power Gravity Architrave 1 Gang Plate Only in Matte Black

SKU: 290009

Details

The Lucci Power Gravity Architrave Plate offers a practical and modern solution for narrow wall spaces, making it ideal for door frames, hallways and areas where a standard-sized switch plate may not be suitable.
Made from durable, UV-stabilised polycarbonate, the Gravity Architrave Plate is designed for everyday use and features a clean, contemporary finish. Compatible with standard switch mechanisms, it provides flexibility while maintaining a consistent look throughout the home.
Available in 1 and 2 gang configurations, with a choice of Matte White, Matte Black and Gloss White finishes to complement the wider Lucci Power Gravity range.
Plate only – switch mechanisms sold separately.
