

Lucci Power Ion 1 Gang Switch in Black

SKU: 299533

$13.50 (inc GST)

Details

The Lucci Power Ion switches are crafted from durable, matte-finished polycarbonate and available in sleek matte white and matte black finishes. With a slimline profile, these switches and powerpoints blend effortlessly into any room, offering configurations from 1G to 3G, and can be mounted vertically or horizontally for added flexibility. The 84mm mounting centres ensure an easy installation process, allowing for a seamless fit. Designed for everyday use, the Lucci Power Ion range is compatible with Lucci Power mechanisms and dimmers, allowing you to create a fully integrated, functional system. The smooth rocker switch provides a user-friendly experience, while the durable polycarbonate construction guarantees longevity and reliability. Backed by a 25-year warranty, the Lucci Power Ion Blank Plate combines design, performance, and lasting quality for every project.
