Lucci Power Ion Blank Plate Only in White

SKU: 299522

Details

The Lucci Power Ion Blank Plate, crafted from durable polycarbonate and finished in sleek matte black or white. Designed to replace any old power point or switch that is no longer needed, this blank plate features a 5.5mm slimline profile and a flat mounting plate, seamlessly fitting into any space. The integrated quick fit screw cap covers make installation quick and easy, ensuring a hassle-free setup. With 84mm mounting centres, the blank plate provides a simple and efficient installation process. Backed by a 25-year warranty, the Lucci Power Ion Blank Plate combines design, performance, and lasting quality for every project.
