

Lucci Power Portable Plug-in LED Flood Light in Black and Navy

SKU: 231432

$49.95 (inc GST)

Details

The Lucci Power Portable Plug-in LED Flood Light provides dependable continuous lighting for electricians, installers and busy worksites. Its 24W LED delivers up to 2700 lumens of cool white 4000K light, while the IP65-rated metal and plastic construction offers strong protection against dust and water. A 2-metre power cable provides useful reach around work areas, and the stable portable format makes repositioning simple as the job progresses.

Finished in black with navy accents, this 240V LED work light is a practical choice for fit-outs, maintenance tasks, workshops and other locations where sustained output is required without battery runtime limits. It is backed by a 5-year warranty.

Also available in the Lucci Power portable flood light range: choose the compact rechargeable model for cordless single-head lighting, or the 3-light foldable rechargeable model for wider coverage and adjustable output.
