

Lucci Power Portable Rechargable LED Flood Light in Black and Navy

SKU: 231431

Details

The Lucci Power Portable Rechargeable LED Flood Light is a compact work light for electricians, installers and trade professionals. It produces up to 2000 lumens of cool white 4000K light from a 14.5W LED and offers two-step dimming for practical control on site. Its integrated rechargeable battery delivers approximately 2–8 hours of portable lighting, with USB-C charging, while the IP54-rated metal and plastic body helps protect against dust and water splashes.

Weighing just 0.6kg, this black and navy portable LED work light is easy to carry between service calls, fit-outs and temporary work areas. It combines cordless convenience with a durable trade-ready design and is backed by a 5-year warranty, excluding the battery.

Also available in the Lucci Power portable flood light range: choose the 3-light foldable rechargeable model for wider coverage and up to 2650 lumens, or the plug-in model for continuous 240V operation and IP65 protection.
