Details

Compact yet powerful, this portable trade flood light is built to handle the demands of busy worksites and weekend adventures. Available in a choice of battery-operated or plug-in models, both versions feature a cool white 4000K light and a practical black finish with navy accents. The battery model includes a 4400mAh rechargeable battery with up to 7 hours of runtime at 50% brightness, charging easily via USB-C. The plug-in version delivers a strong 2700-lumen output with a 2-metre cable for added reach. Both designs are backed by a 5-year warranty and constructed from durable metal and plastic for reliability on the go. Ideal for trade, camping or as a great gift-with-purchase option for tradies.
