

Lucci Power USB-A and USB-C Mechanism in Black

SKU: 299281

Details

The Lucci Power USB charger is an adaptive charger. This product is covered by a 5-year warranty and is available in both white and black.
Operating on an input voltage of 220-240V - 50Hz, the Lucci Power USB charger provides versatile output options, including single A or C outputs at 5V 3A, 9V 2A, and 12V 1.5A. It also offers a combined A + C output of 5V 3.6A for efficient charging.
This USB charger is designed with a common aperture to seamlessly fit into various existing product ranges, such as Vynco and Lucci Power. Equipped with both USB and USB-C ports, it supports fast charging, ensuring swift and effective power delivery to your devices.
