

Made by Mayfair Amalfi Single Pendant in Spanish Alabaster with Aged Brass

SKU: 050675

Details

The Amalfi pendant combines aged brass metalwork with natural Spanish alabaster, creating a refined statement piece suited to contemporary and classic interiors. The softly shaped alabaster stone shade highlights the natural veining of the material, meaning each piece has its own unique character. An integrated LED light source offers selectable colour temperatures from 3000K to 5000K, allowing you to adjust the ambience to suit your space. With dimmable functionality, the Amalfi provides both beautiful illumination and flexible control. The single pendant works well as accent lighting, bedside lighting or in small clusters, while its adjustable suspension allows the drop to be tailored to the installation height.
