

Made by Mayfair Cadence 2 Light LED Colour Switching Wall Bracket in Brushed Chrome with Spanish Alabaster

SKU: 197073

$995.00 (inc GST)

Details

The Cadence 2 light vanity light blends contemporary design with a subtle nod to Art Deco elegance. Crafted from natural Spanish alabaster and paired with refined aged brass or brushed chrome detailing, it delivers a soft, sculptural glow that enhances modern bathroom spaces. The elongated form creates a refined architectural presence while providing balanced illumination across the vanity area.
The versatile design can be installed horizontally above a mirror for a refined and practical lighting solution, or vertically to create a dramatic statement either side of a mirror or along a hallway.
Integrated LED lighting features adjustable CCT technology. Select your desired colour temperature during installation—Warm White, Natural White or Cool White—or choose our innovative Scene Control feature. Scene Control allows you to change the light colour using a standard wall switch, shifting from crisp task lighting for daily routines to a softer, more ambient tone for relaxed evening settings. The light is also dimmable, allowing you to further tailor the brightness to suit the moment.
With an IP44 rating, the Cadence vanity light is designed for safe use in bathroom wet zones, combining elegant design with practical performance.

Specifications

SKU	197073
Colour/Finish	Brushed Chrome/Alabaster
Dimmable	Yes
Recommended Dimmers	All Lucci, MFL and Buster + Punch Dimmers
Ip Rating	IP44
Globe Type	Integrated LED
