Made by Mayfair Cadence 3 Light LED Colour Switching Trapeze Pendant in Aged Brass with Spanish Alabaster

SKU: 020952

Details

Cadence pendant light collection

The Cadence pendant light, part of the exclusive Made By Mayfair collection, is designed in Australia with an emphasis on timeless elegance and adaptability. Aged brass accents frame rods of Spanish alabaster, each naturally grained so no two are ever the same. An adjustable suspension system allows you to refine the proportions, making it ideal for high ceilings and dramatic voids. A matching linear bar pendant is also available for cohesive styling across larger spaces. Integrated energy-saving LEDs with 4-way CCT technology let you set the colour temperature at installation to Warm White (3000K), Cool White (4000K) or Natural White (5000K), or select the innovative Scene Control mode for greater flexibility. Using a standard wall switch, simply flick Off/On within three seconds to cycle between the three settings, adapting the light's mood and function to suit the moment and support natural circadian rhythm. Sculptural, refined, and technologically advanced, Cadence brings a sense of quiet luxury to contemporary interiors.

Specifications

SKU	020952
Colour/Finish	Aged Brass/Alabaster
Dimmable	Yes
Recommended Dimmers	All Lucci Power, MFL, and Buster + Punch dimmers.
Globe Type	Integrated LED
Globe Quantity	0
