Details

Hand-crafted from Spanish alabaster and coupled with beautiful real brass or black detailing, the Lucent is another statement piece from the Made By Mayfair collection. Exclusive to Beacon Lighting and imbued with extraordinary visual depth and richly nuanced materials, this visionary collection celebrates the enduring beauty of meticulous craftsmanship, artistry and a sumptuously refined aesthetic. What makes Lucent extraordinary is its alabaster shade which plays with the depth of light and shadow unlike any other natural stone. And as each piece is lovingly hand finished, all pendants within the Lucent collection are unique – each with their own story to tell. Available in 100mm and 160mm sizes. Alabaster is a naturally occurring material, so there will be slight variations in colour and pattern.
