

## Made By Mayfair Osten LED Colour-Shifting Wall Bracket in Black with Spanish Alabaster

SKU: 300710

\$529.00 (inc GST)

### Details

Osten effortlessly blurs the lines between light and art. The handcrafted Spanish alabaster stone appears to be floating off the wall, creating a stunning decorative effect, while the colour-switching technology via the wall switch allows you to change the colour temperature and play with variances in the colour of the stone, further enhancing the quality of the alabaster. Alabaster is a naturally occurring material, so there will be slight variations in pattern which makes every piece unique.

### Specifications

|                     |                                                                                                                                                                          |
